HKT serves more than 800,000 customers with Fiber-to-the-Home Broadband, making us
Hong Kong's first choice of provider^!

Fiber-to-the-Home is THE benchmark standard for today's broadband market

This is a limited time offer and is only applicable to new consumer customers (whose service installation address has not been installed with any NETVIGATOR / LIKE100 Broadband Service within 3 months prior to the application date) subscribing to designated NETVIGATOR Broadband Service with not less than 36 months' commitment period at designated residential areas. Average monthly fee is calculated based on designated service fee of NETVIGATOR broadband service with 36 months' commitment period and 12 months' service fee waiver. 12-month service fees of the Designated Services will be waived for designated months during the commitment period. Such service fee waiver does not apply to other services which you may have subscribed to under your NETVIGATOR Application (e.g. extra services, Now TV and New Media services). Those services will be charged according to the relevant Application and Service Guide. Customers must allow us, Hong Kong Telecommunications (HKT) Limited (HKT), to complete the installation of Designated Services within 30 days from the date of application to enjoy this offer. This offer only applies to designated corporate / institution staff, who are required to provide valid proof (such as a valid staff card) to us within 30 days of the application date, to demonstrate that they are eligible for this offer. * Bandwidth specification refers to network specifications of the services subscribed to for the broadband line connected from the modem at your premises to the first piece of NETVIGATOR network equipment or central office. For 1000M Broadband Service, bandwidth specification corresponds to a maximum downstream and upstream bandwidth of 1000Mbps. Actual speed experienced will be less than the network specifications and will be affected by your device, technology, network and software used, network configuration and coverage, usage levels, international bandwidth and extraneous factors. ^ Number of channels and On Demand Catalogs are subject to change to be announced by Now TV from time to time. The value of the pack is calculated based on original price HK\$88 and a 36-month commitment period. Now TV is provided by PCCW Media Limited and available in designated areas only. Please contact Now TV sales staff for information on all the service plans and promotion details. In the event of any disputes, the decision of PCCW Media Limited shall be final and binding. NETVIGATOR Broadband Service is provided by HKT, and is available only in designated residential areas, subject to the relevant terms and conditions. We may revise these terms and conditions without notice. Revised terms will take effect when they are posted. In the event of any dispute in connection with this offer, our decision shall be final, binding and conclusive. Photos are for reference only.
